

# ABDUL SALAM KHAN

@ kabdulsalam6@gmail.com

☎ (+91) 7210589988

📍 Hyderabad, India

in Abdul Salam Khan

## EXPERIENCE

### Assistant System Engineer (Developer)

#### Tata Consultancy Services

📅 June 2019 – Present

📍 Hyderabad

- Worked in an Agile environment on the back-end side of Auto Insurance modules.
- Worked on development of APIs for Auto Insurance discount based on Telematics data.
- Implemented a new scoring Algorithm to calculate driver score based on Telematics data.
- Worked on fixing bugs and implementations of new features.

## HOBBIES PROJECTS

### File-Upload/Download | [See on Github](#)

📅 Oct - 2019

- Created a Web App using Python(Django) and implemented user authentications and authorizations using Django custom user model.
- The authenticated user can upload and download books from books library.
- Restricted the download/upload options for not authenticated user but they can see the list of uploaded books.

### Facial Emotion Detection(Team Size - 4)

📅 Jan - 2019

- Created a Facial Emotion Detection System using Python.
- Used Tensorflow and keras API and train the data using CNN.
- Studied various algorithms for face detection and emotion detection.

### Personal Blog | [See on Github](#)

📅 Jun - 2018

- Created a Web App(Blog) using python(Django).
- The authorised user can edit the existing blogs and can create new blogs.
- Used HTML, CSS and Bootstrap for front-end, Python for back-end and Sqlite3 for database.

## AWARDS & CERTIFICATIONS

- Got 1550th place in Google Kickstart 2020 round G out of 6730 participant. | [See credential](#)
- Codechef Data Structures and Algorithms Certifications - Foundation. | [See credential](#)
- Got under 500 rank in CodersBit(2018). CodersBit is a Pan India Annual Coding Challenge. Participants compete with each other to solve multiple coding challenges with specialised focus on Data Structures, Algorithms and Problem Solving Skills.

## EDUCATION

### Bachelor of Technology in Computer Science & Engineering

📅 2015 – 2019

📍 Galgotias University

CGPA: 8.66/10.00

### Student in Senior Secondary School

📅 2012 – 2014

📍 Islamia Inter College

Marks: 85.3/100

## COURSEWORK

Data Structures and Algorithms

Data Base Management

Design and Analysis of Algorithms

Object Oriented Programming

Software Engineering

## SKILLS

### Programming Languages:

C/C++

Java

Python

### General:

Data Structures

Algorithms

SQL

Django

HTML

### Tools:

LaTeX

Git

Microsoft Office
